Ava collected coats for those in need instead of birthday gifts this year!

Volunteer Spotlight

Ava had a birthday party and instead of gifts, she asked her friends to bring coats for the homeless or those in need. She collected over 30 coats!!

THANK YOU Ava!

Senior Home Repair

MISSION MOMENT

Since its inception in 2013, The Senior Home Repair Program has provided hundreds of essential home repairs for seniors in Preble County. We believe seniors should be able to stay safely in their homes for as long as possible. Through monetary and supply donations, grants, and volunteers the Senior Home Repair Program assists income eligible Preble County seniors with spring clean-ups, electrical, plumbing, roof repairs and accessibility options including ramps and handrails.

Howard called the Senior Home Repair Program (SHRP) about his malfunctioning furnace. The furnace has had multiple service calls on it in the past. Shetter Heating & Cooling went to assess the situation. Unfortunately, the furnace could no longer be fixed, and would need to be replaced. With it being the end of year, the SHRP funding was very limited but with the help of local agencies, we were able to get enough funds to get a new furnace for Howard. Howard will now be warm this winter!

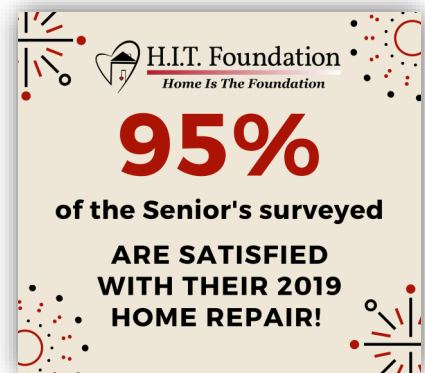

Homeless Services

MISSION MOMENT

Home Is The Foundation's Cold Shelter has been open over 30 days since Nov. 4, 2019. Cold Shelter is typically held in the lobby of our Homeless Shelter unless there is a greater need based on the number of clients. In that case it would then be held in a local church. Cold Shelter is available when the temperature or wind chill is forecasted to be 20 degrees or below.

During a Cold Shelter stay, each client receives dinner, breakfast and sack lunch along with case management services and a rehousing goal. Of the 25 Cold Shelter clients 8 have entered the Homeless Shelter.

Additionally this month, a gentleman came to us that was stranded on his way home to another state. H.I.T. Foundation was able to provide temporary shelter and assist in the purchasing of a bus ticket so he could be reunited with his family.
